

long will they remain dead to the urgent pleas for a new direction and blind to the overwhelming evidence against the failed liberal agenda of the welfare state? How long will they pay headlong allegiance to a philosophy of unlimited government and limited personal freedom, more spending, higher deficits, and more bureaucratic regulation of our lives, our economy, our future? How long will they go on trivializing and reducing the national debate to its lowest common denominator? How long will they persist with the politics of fear and with scare tactics calculated to incite class warfare and divide Americans one against another?

It is time to end the futile mission of the lost battalion of the left and honor our Contract With America.

FEDERAL FOOD ASSISTANCE

(Mrs. CLAYTON asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Mrs. CLAYTON. Mr. Speaker, for more than 50 years this Nation has had a commitment to its children. In less than 50 days some have moved to abandon that commitment, and by doing so, to abandon our children.

This Nation is strong not because of its military might or its technology. This Nation is strong because of its compassion. We care about those among us who are weak; the young, the old, the poor, the frail, and the disabled.

If our citizens are weak, we are weak as a nation.

Last year we spent just \$26 per American taxpayer for AFDC programs. Child nutrition programs represented just one-half of 1 percent of the total Federal budget outlay of 1994. The average food stamp benefit is served for 75 cents per meal, just 75 cents.

Children are not driving up our deficit. Senior citizens are not the cause of our economic woes. Programs for the poor do not represent pork.

Indeed, confronting hunger in America is a serious matter, not a partisan matter. It is a moral matter. It is irresponsible to put children's and our senior citizens' health at risk.

THE FOLKS AT HOME DO A BETTER JOB THAN THE FEDERAL GOVERNMENT

(Mrs. CUBIN asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Mrs. CUBIN. Mr. Speaker, I want everyone to understand, and I want them to understand clearly, spending for the school meal programs will actually increase next year by at least 4 percent.

In addition, cutting an entire layer of Washington bureaucracy and limiting administrative costs of these programs by 2 percent will give more money to be spent on food programs.

Listen to this, the Republican proposal spends more money on the school

lunch program and the school breakfast programs.

Now, let us talk about who really cares here. There are 535 people in this organization in Washington here who make decisions for the whole country. There are three people who really care about the people in Wyoming, and the number of delegates that you have in your States that really care or know you. There are thousands of people in the State of Wyoming who care about feeding children, who care about our future, who care about our seniors, and those folks at home are responsive, and they will do a better job feeding our children than the Federal Government will.

CONTRACT OUT OF STEP WITH THE AMERICAN PEOPLE

(Ms. DELAURO asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. DELAURO. Mr. Speaker, no matter how many of my colleagues on the other side of the aisle want to get up and tell us that what they did last week is untrue, they are, in fact, cutting the child nutrition programs. They are cutting the breakfast program. They are cutting the school lunch programs. Do not let them get away with it.

Mr. Speaker, as the American people learn more about the uncaring and extreme agenda of the Gingrich revolution, they are realizing that the Contract With America is not worth the laminated paper it is written on.

This New York Times poll released today confirms what Democrats have been saying—that we need to focus on crime, jobs, and health care. Those are the core challenges of our time.

But, instead of fighting crime by taking guns off our streets, the Gingrich revolution promises to overturn the assault weapons ban.

Instead of focusing on job creation, the Gingrich revolution promises to cut programs like the Summer Youth Program that creates public-private partnerships that put kids to work during the summer.

Instead of focusing on health care reform, the Gingrich revolution has produced legislation that will dessimate the Medicare Program, hurt seniors, and shut down hospitals.

Contrary to what they want to say, Gingrich Republicans may walk in lockstep toward their 100 days, they are clearly out of step with the American people.

ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The PRESIDING OFFICER (Mr. ZELIFF). The Chair would like to remind our colleagues not to interrupt or interfere with other Members' speeches.

REPUBLICAN MAJORITY OUT OF THE MAINSTREAM

(Mrs. LOWEY asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Mrs. LOWEY. Mr. Speaker, today's New York Times poll demonstrates that the new right-wing Republican majority is thoroughly out of the mainstream and completely out of touch.

On issue after issue the American people overwhelmingly reject the extremist proposals being offered by the right-wings Republicans.

Just look at the Republican agenda: They refused to protect Social Security from the budget ax, they gutted legislation to put 100,000 new police on the beat, they promise to cut student loans, and they slashed school lunches for hungry children.

To middle-class parents struggling to send their children to college the Republicans say: Tough luck. They tell 7-year-old children who cannot afford a school lunch: Go hungry. To seniors worried about Social Security the Republicans say: Take our word for it—the check's in the mail.

Mr. Speaker, Democrats know that the American people want sensible change—not a radical right-wing revolution. It is time for the Republican reign of terror to end.

THE BRADY ANNIVERSARY

(Mr. SCHUMER asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. SCHUMER. Mr. Speaker, I rise proudly today to celebrate the Brady law.

Unlike so much of the ideological silliness that is being rammed through this House to meet the new majority's train schedule, the Brady law was carefully weighed in the legislative balance. The Brady law works.

The Brady law is saving lives.

Because of the Brady law, men, women, and children all over America are living today. These are living, breathing Americans who—without question—would have been murdered by handguns if the Brady law did not exist.

Before the Brady law, convicted felons could walk into gun stores all over America, slap down their money, and walk out with a handgun. Those guns killed thousands of innocent people.

The Brady law stopped that madness. In 1 year alone it stopped at least 15,000 illegal gun sales, and probably as many as 40,000.

I am proud I sponsored this common-sense life-saver. And I warn the NRA and its allies who want to repeal Brady and put guns back into the hands of convicted felons.

Get ready for the fight of your life.

Because the American people demanded the Brady law. The American
